Victoria Central Appraisal District

Dear Board Chair Svetlik and Chief Appraiser Haliburton:

Victoria Central Appraisal District (Victoria CAD) has substantially completed all recommendations made in the Methods and Assistance Program (MAP) review released in January 2022. Victoria CAD is therefore in compliance with Tax Code Section 5.102, Comptroller Rule 9.301 and the 2020-21 MAP requirements.

It is important to keep appraisal practices up-to-date and consistent with requirements of the Tax Code; Comptroller rules; generally accepted standards, procedures and methodology; and other laws. Tax Code Section 5.102 requires the Comptroller to review each CAD's governance, taxpayer assistance, operating standards and appraisal standards, procedures and methodology at least once every two years.

We congratulate Victoria CAD's board and staff for their work.

Sincerely,

Shannon Murphy  
Director  
Property Tax Assistance Division
